

MISSIONS

Supported By The Germantown Church Of Christ

Walking with God and His family in His ministry to His world

At the Germantown Church of Christ we consider it an honor and a privilege to share the gospel of our Lord Jesus Christ whenever and wherever we can. As a congregation of God's people, we are involved in various efforts to do just that both inside and outside of the United States. Every Lord's Day, and also during the week, our ministerial staff and our members are busy teaching the good news of Jesus Christ at various locations throughout the area. Bible Correspondence Courses and personal Bible studies are also available upon request by calling (901) 754-1668.

All Around The World

Since 2008, Germantown has been the sponsoring congregation for the Maluga family in Donetsk, Ukraine. Sasha is the minister for the Budjonevsky Church of Christ. He is also an instructor and the Dean of Students for the Ukrainian Bible Institute. Natasha also works at the Ukrainian Bible Institute. During the summer of 2010, Sasha, Natasha, and their daughters, Tamara and Regina were able to visit us in Germantown.

After nine plus years of a very successful mission effort in Alotau, Papua New Guinea the Germantown church is now supporting the Williams family in Regina, Saskatchewan, Canada. Leslie will work with the Northwest Church of Christ in Regina and the surrounding congregations. He will also serve at Western Christian College as their "minister in residence" and as a faculty member.

Many members of the Germantown church are involved in mission campaigns every year. Countries where our members have served include Cuba, Ghana, Honduras, Ireland, Mexico, Mozambique, Peru, Panama, Ukraine, and various locations within the United States.
