

GERMANTOWN CHURCH OF CHRIST
Inclement Weather Policy

Whenever local radio or television stations issue cautions against driving or if driving conditions appear too dangerous due to severe weather, please tune in a local media outlet for additional information regarding the cancellation of services:

Generally speaking our inclement weather plan is as follows:

Lord's Day Services: We will not cancel Sunday services entirely, but because of severe weather we may only meet at 2:00 p.m. for worship. If that is the case, we will not have Bible Classes or Children's Bible Hour.

Mid-week Services: If Shelby County Schools cancel school, or dismiss school early because of severe weather, we will NOT have services at our building on that day.

While the cancellation of any service is not anticipated except in unusual circumstances, everyone is discouraged from driving when conditions are unsafe.
