How We Got The Bible

During the Fall Quarter on Wednesday nights I will be teaching a class in Room 123 on "How We Got The Bible". Some of the topics will include:

- ◆ Development of the Old Testament Canon
- ◆ Development of the New Testament Canon
- ◆ Textual Criticism
- ◆ Using the Bible Today

The first few weeks we will conclude our Spring Quarter study of "How To Study The Bible". Come join us in our Bible Study!

This month PAGE 2 of the SLD Newsletter gives a glimpse of some of the activities enjoyed at the Leadership Camp for boys and girls held in July. Although the weather was hot, hot, hot the boys and girls worked on the development of their leadership skills in the areas of decision-making and teamwork!

Each day we had a Bible lesson and a lessons-learned time to discuss what we learned that day. Each of the 17 boys and 12 girls in attendance did a great job in improving their skills.

In each camp the young people built an altar, brought down the walls of Jericho, constructed a tomb and laid the street in Heaven. These exercises were completed by using 1,100 bricks each day! Activities included: horseshoes, obstacle challenge, racing events and a leading and being led expedition. Also, our field trip to the Licherman Nature Center provided a great opportunity to learn more about God's creation as we experienced a nature walk and participated in the "hands-on" Animals Alive! show.

*I was impressed with the enthusiasm of all the boys and girls as they were **Marching to Zion!***
