Leading the Assembly

I have received requests from some men and young men to have another Leading the Assembly class. If you would like to learn how-to lead in worship services by leading prayer, reading scripture, serving communion, or leading at the Lord's table and for the contribution, please contact me about this class.

Current Events

The Women's Leadership Challenge continues through the 2nd week of November. Please encourage these women to keep up the great work as they grow spiritually by completing The Challenge.

Many events have started for our 2007 Lads-to-Leaders (L2L) program. Each year our coordinators do a great job in working with the young people to increase their skills and confidence. Our church building is being used numerous times a week to help the boys and girls improve their talents. The L2L young people will be able to use their abilities not only in the future work of the church, but also now!

The Daily Bible Reading (DBR) small group ministry will meet on Sunday, October 29, at 5:30 p.m. in room 124 to read the daily passages together. Our goal is to be a daily Bible reader. We have specific reading schedules to follow or you can use your own. If you would like to be a part of the DBR, please let me know. Come join us on October 29 to read God's word!
