The
Kelton
Family

Meet the Keltons!

Barry and Phyllis
Taylor
Grant

Family Focus would like for you all to meet the Kelton family. Barry and Phyllis, along with their sons Taylor and Grant, joined our church family this past summer.

Barry is a chiropractor with a practice in Collierville, Collierville Chiropractic Clinic. Phyllis works there as well. I hear working in chiropractics takes quite an adjustment. Barry grew up in Mayfield, KY. He was baptized at the age of 12. He attended Harding University. Barry attended the Woodale/Southwind congregation for 20 years, serving there as a deacon and youth minister.

Phyllis grew up in Memphis. She also grew up in the church. She attended the Getwell church until 1972 when her family moved to the Woodale congregation. Phyllis attended Harding Academy and Harding University, where she and Barry met. They recently celebrated their 20th wedding anniversary.

The family enjoys camping, backpacking, rock climbing and boy scouts. Taylor and Grant are active members of the Germantown youth group. Since joining our church family, Barry and Phyllis have been very helpful in the youth program, hosting devotionals and chaperoning events.

Be sure to meet the Keltons if you have not already done so. We are blessed to have this fine family working and worshipping with us here at Germantown.

The
Simpson
Family

Meet the Simpsons!

Tim and Meredith
Lily
Allie
Hailey

Family Focus presents the Simpson Family. Tim and Meredith, along with their children, Lily, Allie and Hailey recently joined our church family.

Tim grew up in Memphis. He was raised in a Christian home and became a Christian at the age of 14. He attended White Station High School and the University of Memphis. He is the band director at First Assembly Christian School.

Meredith also grew up in Memphis in a Christian home. She became a baptized believer at the age of 7 and has stayed active in the church ever since. She attended Overton High School and the University of Memphis. She went on to receive a degree from UT Health Science Center. Meredith works part-time as a dental hygienist, but her real job is mom and homemaker.

Tim and Meredith met in college and have been married for 9 years. They enjoy running and are big U of M Tigers fans. The Simpsons are interested in serving in our ministry to children and both like to teach.

They make this statement, "We desire for our children to come to know the Lord at an early age and we know Germantown will nurture and grow what we are teaching at home." What a great addition to the family here at Germantown. Make sure you meet the Simpsons and welcome them!
