A Walk through the Old Testament

The fall quarter for Wednesday nights will begin September 8th. We will continue **"A Walk through the Old Testament" in classroom 123.** Over a 3 year period we have covered the OT from Genesis through Amos chapter by chapter. We will begin the fall quarter with Obadiah.

In "A Walk through the Old Testament" we study the book's message, the major themes of the book and highlight points within chapters. Come join us as we see what God's word meant to the first readers and how we can apply His word to our lives today!

The Challenge

10 Women
10 Weeks
10 Challenges

Another **Women's Leadership Challenge** is forming! The Challenge for women is structured toward the leadership roles for women. The Challenge focuses on spiritual leadership and will stretch spiritual leadership development on a personal basis of 10 women for 10 weeks with 10 challenges.

The course is not competitive among the participants. The Women's Leadership Challenge will encourage personal growth. Each woman will commit to attend each Challenge session and to complete a challenge during the week.

Dates and times for the sessions are currently being developed. If you would like more information, please contact Suzanne Marrero, who is coordinating the signup process.

The Advanced Challenge

Several men, who have completed The Challenge, will be taking The Advanced Challenge over the next four months. These men will develop and implement a personal spiritual leadership challenge which will help them in their spiritual growth and Christian service.

Please keep the following men in your prayers as they complete The Advanced Challenge.
