### Family Focus

**Stephanie Gordon**

Family Focus presents Stephanie Gordon.

Stephanie has been a member of the Germantown family since November of 2008. She came to the Memphis area to attend the University of Memphis.

Stephanie grew up in San Francisco, CA. She grew up in the church, attending the Airport church of Christ in San Francisco. Her parents and brother now live in the Springfield, MO area. Stephanie obtained her B.S. of Psychology from Freed-Hardeman University and is seeking to obtain her Masters degree from U of M. She is currently working as a shift supervisor for Starbucks Coffee Co.

Stephanie enjoys reading, cooking, writing, singing, playing piano, sewing and traveling. And if that wasn't enough, she is up for game night as well! Stephanie's passions in life are music and singing. She studied classical piano for over 10 years and loves to sing. She also has a heart for elderly people. She enjoys listening to the stories they tell which contain life lessons. She says she knows she is a better person for having listened to their wisdom.

Make sure you meet Stephanie if you haven't already. She will have a warm smile and conversation waiting.

We are glad to have Stephanie working and worshipping here with us at Germantown.
